## **CHILD SAFE POLICY**

### **1. INTRODUCTION**

- 1.1. Footscray Baseball Club is committed to ensuring that children and young people who participate in its activities have a safe and happy experience. Footscray Baseball Club supports and respects children, young people, staff, volunteers and participants.
- 1.2. The aim of Footscray Baseball Club's Child Safe Policy (the Policy) is to protect the safety of children in our care and prevent abuse from occurring, and in the event that allegations are raised in relation to child abuse, to ensure that the allegations are properly addressed. All complaints will be treated seriously and fully investigated and handled with maximum confidentiality and discretion.
- 1.3. Should a person wish to make any enquiries in relation to this Policy, please contact the President of Footscray Baseball Club via email - [footscraybc1925@gmail.com](mailto:footscraybc1925@gmail.com).

### **2. POLICY STATEMENT**

- 2.1. Footscray Baseball Club is committed to providing the highest level of safety for all involved with Baseball. This includes protecting members' privacy, promoting positive behaviours and attitudes, protecting the health safety and wellbeing of members, particularly children and delivering the Footscray Baseball Club's activities while acting in the best interests of children in the sport.
- 2.2. Specifically, Footscray Baseball Club considers that the health, safety and well-being of children take priority over all other competing considerations. Footscray Baseball Club considers that this is necessary to ensure the health, safety and welfare of all members and protect the image and reputation of the sport, Footscray Baseball Club and its members.
- 2.3. Footscray Baseball Club has a zero tolerance approach to child abuse and is committed to promoting and protecting children from abuse and neglect to the greatest extent possible. All children have equal rights to protection from child abuse, regardless of their gender, religion, disability, sexual orientation or sex characteristics etc.
- 2.4. Child protection is a shared responsibility between Footscray Baseball Club, its employees, workers, contractors, associates, parents/guardians, coaches, spectators, volunteers and members of the Footscray Baseball Club community. Everyone that participates in Footscray Baseball Club's activities is responsible for the care and protection of children, and reporting information about child abuse.
- 2.5. Footscray Baseball Club supports the active participation of all children. It listens to their views, respects their views and involves them when making decisions, where appropriate, especially about matters that will directly affect them (including their safety). Some of the ways in which Footscray Baseball Club empowers children are:
  - **Encouraging Participation and Feedback**  
Children are actively encouraged to share their opinions and suggestions regarding the club's activities, facilities, and policies. Their feedback is sought regularly through child-friendly surveys, suggestion boxes, and open forums, making them feel valued and heard.
  - **Providing Age-Appropriate Education on Rights and Responsibilities**  
The club ensures that all children understand their rights, including the right to feel

safe, through educational sessions that are tailored to their age group. Children are informed about how they can raise concerns and the procedures in place to protect their wellbeing.

- **Establishing a Child-Friendly Reporting System**

A simple, accessible, and confidential reporting system is provided to children, empowering them to report any concerns or incidents. This system allows children to raise issues without fear of reprisal or judgment, promoting a culture of openness and trust.

- **Offering Leadership and Peer Mentorship Opportunities**

The club empowers children by creating opportunities for them to take on leadership roles, such as team captains or mentors for younger players. This helps build their confidence and fosters a sense of responsibility in maintaining a safe and supportive environment for everyone.

- **Ensuring Inclusivity and Respect for Diversity**

The club promotes inclusivity by ensuring that all children, regardless of background, gender, or ability, are treated with respect and given equal opportunities to participate. Policies and practices are in place to ensure that every child feels safe and included, fostering an environment of acceptance and belonging.

2.6. Footscray Baseball Club is also committed to the cultural safety of Aboriginal children, and those from culturally and/or linguistically diverse backgrounds, and to providing a safe environment for children living with a disability.

2.7. Footscray Baseball Club promotes fairness and consideration for all staff, volunteers and participants. For further details please refer to the Footscray Baseball Club Member Protection Policy.

- 5.4. Grooming** is a term used to describe what happens when a perpetrator of Abuse builds a relationship with a Child with a view to abusing them at some stage. There is no set pattern in relation to the Grooming of Children. For some perpetrators, there will be a lengthy period of time before the Abuse begins. The Child may be given special attention and what starts as an apparently normal display of affection, such as cuddling, can develop into sexual touching or masturbation and then into more serious sexual behaviour. Other perpetrators may draw a Child in and Abuse them relatively quickly. Some abusers do not groom Children but Abuse them without forming a relationship at all. Grooming can take place in any setting where a relationship is formed, such as leisure, music, sports and religious activities, or in internet chatrooms, in social media or by other technological channels.
- 5.5. Harm** means Harm to a person or a Child is any detrimental effect of a significant nature to the person or Child’s physical, psychological or emotional wellbeing. It is immaterial how the harm is caused. Harm can be caused by:

  - a series or combination of acts, omissions or circumstances.

Sexual offence** (in Victoria) means a criminal offence involving sexual activity or actions of indecency or any act which exposes a child under the age of 16 years to or involves a child under the age of 16 years in, sexual activity or matters beyond their understanding or contrary to accepted community standards. Sexually offence behaviours can include the fondling of genitals, masturbation, oral sex, vaginal or anal penetration by a penis, finger or any other object, fondling of breasts, voyeurism, exhibitionism, and exposing the child to or involving the child in pornography. It includes grooming, which includes actions
